### Simple Rules:

Each team will get 3, 30 minute matches in the day. If you want a break in the middle, that will be taken out of your 30 minute time. Injury time will also be taken out of the 30 minutes.

Each team should have, where possible, two matches together with respect to time and one longer away.

Each team will play one game OUTSIDE of division (D1 vs D2) to have variety in schedule and levels of play. Teams are encouraged to talk to the other coach ahead of time if there is an issue with this.

Teams that were traveling from further away would play more in the middle of the day as much as possible.

5 minutes before the game, captains will meet to discuss opposed scrums. A best 2 out of 3 rock/paper/scissors can choose kickoff and side of field if a referee is not available.
